

Creative Showcase 2022 (Open Day) (5 Nov 2022)

Creative Secondary School (CSS), 3 Pung Loi Road, Tseung Kwan O, Hong Kong

“Through this place, we thrive, we serve and find our place in the world.”

CSS warmly invites friends and families to join our fun-filled Creative Showcase 2022 (Open Day) of CSS on Saturday, 5 November 2022 from 10:00am to 4:00pm.

You will have the opportunity to find out more about our progressive, forward-thinking education that effectively prepares our students for our rapidly changing and increasingly challenging world. You can also experience the warm, exceptionally student-centred, multi-lingual, learning environment and vibrant school life we offer to our students that CSS has become well known for since our founding in 2006.

On the day, you can meet our student ambassadors, talk to our parent representatives, tour our modern, purpose-designed campus and facilities, as well as enjoy the multi-talented performances and showcases of work by our students.

More importantly, you will see for yourself how the unique inquiry-based learning model of our IBMYP, HKDSE and IBDP curriculum and teaching approaches can help students to think critically, and creatively, to excel academically and personally, develop

confidence and a sense of citizenship and international mindedness. These are the attributes and soft skills that are much needed for their future workplaces and a happy, engaging life.
