Dear Parents,
各位家長：

A School for Tomorrow's Leaders
一所「培育明日領袖」的學校

School Background 學校背景

TWGHs Tsoi Wing Sing Primary School embraces a new curriculum philosophy aiming to nurture students to become "Tomorrow's Leaders", adapt to future changes, and develop a broad perspective. We make use of a distinctive timetable and enhance special curriculum arrangement to cultivate students' abilities to meet the demands of a global talent landscape.

東華三院蔡榮星小學以嶄新的課程理念，突破傳統課時，以培育學生成為「明日領袖」為使命，讓學生能與世界接軌，適應未來世界的轉變，並具廣闊的視野。學校引進具特色的上課時間表及課程編排，以配合培養學生具備適應世界人才需求的能力。

Featured Course Curriculum 特色體驗課課程結構及規劃

We break through traditional classes and utilize a diverse "featured course curriculum" for interdisciplinary learning. Through various activities, students broaden their horizons, exert their potential and enhance leadership skills such as planning, problem-solving, self-reflection, and collaborative communication.

為培養學生具備「明日領袖」的特質，新校突破傳統課時框架的限制，靈活運用下午的多元「特色體驗課」作跨學科學習，學生可透過親身體驗和實踐，拓展視野，發展潛能。在學習過程中，學生的策劃管理、組織解難、自主反思及合作溝通的領導特質將得以培養和發揮。

To equip students adapting the pace of global diverse social development, we create a rich English learning environment and arrange immersive English learning courses.

為裝備學生面對未來世界轉變，適應全球多元化社會發展步伐，學校將營造豐富的英語學習環境，編排沉浸式英語學習課程，以裝備學生掌握與世界接軌的英語能力。
